Insignia Futures & Options charges fees such as exchange, clearing, brokerage and commissions that may change from time to time.

\* Certain fees on contracts may exceed \$1000.

\*\* Customers of Insignia Futures & Options will automatically be subscribed to the *InsigniaTrader* Pro version of the platform upon account opening and will be subject to a \$59/month platform fee. If you would like to select *InsigniaTrader* Basic or another platform, please do so during the account opening process. Non-professional traders will be required to pay (on behalf of CME Group) \$15 per month for Market Depth Data for CME, CBOT, NYMEX, and COMEX. Individual CME Group Exchanges can be enabled for \$5 per month, per exchange.

Professional traders will be subject to a higher fee at \$85/month for each of the four exchanges.
